Action Plan in response to the PPO Report into the death of

Stephen Bladen on 17/02/2021 at HMP Long Lartin

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure that all staff must respect the wishes of prisoners with valid advance decisions to refuse treatment (ADRT) and do not attempt Resuscitation (DNAR) orders.	Accepted	Meeting was held with our healthcare colleagues (Practice Plus Group) on Monday 2 August 2021 and 5 August 2021. World Café event is being facilitated on Tuesday 10 August and Practice Plus staff will be handing out guidance to staff on ADRT & DNAR orders. Further planning meeting scheduled for Thursday 12 August to develop further Notice to staff and raise awareness of the legal aspects of ADRT & DNAR orders.	Head of Safety and Equalities Head of Healthcare	Complete August 2022 August 2022
2	The Director General of HMPPS should give guidance to all prisons on developing policies outlining the expectations for staff in CPR decisions in line with	Accepted	The policy framework on Safety that will replace PSI 64/2011 is currently being drafted and will include a section on the expectations for staff in CPR decisions, in accordance with Resuscitation Council guidance. This due for publication in autumn 2022.	National Prison Safety Team, HMPPS	November 2022

	current Resuscitation Council guidance.		In the meantime, additional guidance on DNAR/ReSPECT forms was issued as part of the pandemic response, and a further safety briefing on this topic that includes the learning from this case will be issued to Governors and Directors.	HMPPS	March/April 2022
