Action Plan in response to the PPO Report into the death of

Mr Peter Preston 29 June 2025 at HMP Belmarsh

Rec No		Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should complete an audit within six months of the date of this initial report to ensure that advice about the Electronic Prescription Service is given to those attending court and is recorded in their medical records.	Accepted	A monthly audit schedule will be implemented within the six-month timeframe. This audit will review whether Electronic Prescription Service advice is being provided at Reception for all patients attending court and whether this is being recorded appropriately in their clinical records. If any gaps in practice or documentation are identified, an improvement plan will be developed and implemented.	Head of Healthcare, Practice Plus Group	December 2026
