1	The Governor should ensure that when staff suspect that a prisoner is under the influence of psychoactive substances, they contact healthcare staff and monitor the prisoner until healthcare staff arrive.	Accepted	<p>HMP Manchester will introduce a process that will ensure staff monitor all prisoners suspected of being under the influence of illicit substances at 10 minute intervals for the first hour after discovery. Prisoners will then be monitored hourly for the next 23 hours, unless clinical direction indicates this needs to be more frequent or continuous. Staff must ensure they record that the prisoner is being monitored, and the frequency in which the checks are being completed on NOMIS.</p> <p>A Notice to Staff was published in May 2022 reminding staff that they must contact healthcare staff when they suspect that a prisoner is under the influence of psychoactive substances.</p>	Head of Residence and Head of Drug Strategy (HMPPS)	December 2022
