

Action Plan in response to the PPO Report into the death of Mr Colin Hudson on 05 April 2023 at HMP High Down

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that all patients with a cancer diagnosis have a formal and regularly reviewed care plan, in accordance with NICE guidelines.	Accepted	<p>Waiting list implemented for Cancer reviews. Regular QOF register review carried out to identify patients with cancer diagnosis who are not already identified.</p> <p>Patients are then added to waiting list and seen in clinic for at least annual review and care plan. Cancer is part of the long term condition audit carried out quarterly to review a selection of patients including their care plan.</p>	<p>Head of Healthcare</p> <p>Central and North West London NHS Trust</p>	Complete
2	The Governor should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints and that authorising managers show that they have taken this information into account when assessing a prisoner's current level of risk.	Accepted	<p>All Duty Governors were reminded of the need to read all sections of the risk assessment and ensure that arrangements put in place are appropriate to the risk.</p> <p>A fortnightly meeting is now held to identify and review those prisoners whose current medical conditions mean that they should not be cuffed in the event that they need to be taken to hospital. The meeting is multi-disciplinary with key stakeholders from safety, security, primary health care, mental health and substance misuse.</p>	Head of Safety HMPPS	<p>Completed</p> <p>Completed</p>
