

Action Plan in response to the PPO Report into the death of

Mr John Chambers on 17 June 2024 at HMP Hull

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that the healthcare team adhere to NICE guideline: Suspected cancer: recognition and referral, by escalating changes in a patient's weight to the GP who can then decide on the most appropriate plan of care.	Accepted	<p>NICE guidance for Suspected cancer: recognition and referral emailed to all clinical staff and paper copies available in clinic rooms. The guidance has also been discussed in the daily safety huddles.</p> <p>All patients of concern including those with weight changes are brought to the daily safety huddle and discussed there. The safety huddle is attended by primary care including GP, mental health clinical and non clinical drug and alcohol team and pharmacy. Following discussion a plan of care is developed.</p>	Head of Healthcare (Spectrum)	Completed
