

## Action Plan in response to the PPO Report into the death of Mr Raymond Paterson on 1 July 2024 at HMP Fosse Way

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure all new arrivals and transfers to prison should receive a second stage health assessment within 7 days of arrival.	Accepted	Mr Paterson was admitted to hospital between 1st and 2nd screening due to his clinical presentation. No handover took place between sending establishment. Upon return to HMP Fosse Way from hospital it was not identified as being outstanding and subsequently wasn't booked. Nottinghamshire Healthcare Foundation NHS Trust now run a report twice a week to ensure all patients new to the establishment regardless of hospital admission will have a secondary screen completed.
