

Action Plan in response to the PPO Report into the death of Mr Curtis Cadman on 21 November 2022 at HMP Lincoln

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should review Lincoln's local guidance on medical emergency response codes to remind control room staff that, in the event of a medical emergency code, they should not wait for authorisation to request an ambulance.	Accepted	In March 2023, a Notice to Staff (NTS) was issued reminding staff of the actions that should be taken in the event of a medical emergency, including the requirement for control room staff to call an ambulance immediately following the transmission of a medical emergency code . A separate NTS has also been issued which provides guidance specific to the role and expectations of control room staff when dealing with a medical emergency code incident and to clarify that further authorisation is not required before calling an ambulance.
