

Action Plan in response to the PPO Report into the death of Mr Gerard Browne on 19 January 2024 at HMP Wymott

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that patients with multiple healthcare needs are discussed at the multi professional complex case conference meeting so that the MDT has full oversight of their complex care and multiple care needs	Accepted	Review of the criteria for MDT meetings to take place to ensure that the MDT has awareness and oversight of their care	Head of Healthcare, Greater Manchester West Mental Health	31.07.24
2	The Head of Healthcare should ensure that all healthcare staff undertake a MUST assessment when a person is weighed and ensure any concerns are escalated with immediate effect.	Accepted	Staff to be reminded that they should record a MUST score when weighing patients	Head of Healthcare, Greater Manchester West Mental Health	31.07.24
3	The Head of Healthcare should ensure that all healthcare staff undertake a risk assessment when an adult presents with risk factors	Accepted	Staff to be introduced to the GULP Dehydration Risk Screening Tool and where the patient falls into the high risk category, then a care plan for potential dehydration is put in place	Head of Healthcare, Greater Manchester West Mental Health	31.07.24

	that make them at increased risk of dehydration and ensure that a plan of care is in place.
