

## Action Plan in response to the PPO Report into the death of Mr Terrence Clover on 27 February 2024 at HMP Swaleside

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should provide timely feedback to healthcare staff about the good practice identified in the clinical review and consider how this can continue to be role modelled to staff to ensure ongoing good quality care and patient experience for patients receiving end-of-life care.	Accepted	All healthcare staff have been given the positive feedback with regards to the good practice identified in the clinical review and how we shall continue to provide good quality care and patient experience for patients receiving end of life care. This will also be discussed in the staff meetings, clinical supervision and in the monthly Quality Management Meeting.	Head of Healthcare Oxleas NHS Foundation Trust	July 2024
