

## Action Plan in response to the PPO Report into the death of Mr Ronnie Gaunt 15/04/2020 HMP Risley

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that prisoners receive a secondary screen within seven days of their initial reception health screen.	Accepted	All secondary screens are completed on arrival to HMP Risley with an initial health screen by a qualified general nurse. This is to reduce potential prisoners who do not attend for a screen the following day. A weekly audit is completed by Head of Healthcare to ensure all relevant health data is completed.
