

# Action Plan in response to the PPO Report into the death of Mr John Kenny on 21 October 2023 at HMP Parc

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Director and Head of Healthcare should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints, that healthcare staff complete the medical information section of the escort risk assessment in full, and that assessments fully take into account the health of a prisoner and are based on the actual risk he presents at the time.	Accepted	<p>All Healthcare staff will be briefed on the importance of reviewing the health, age, mobility, and prognosis of men going out to hospital when completing the risk assessment.</p> <p>Healthcare managers will review the cuffing status of all men in hospital daily. An updated risk assessment will be produced if required.</p> <p>HMPPS response:</p> <p>HMP Parc will ensure that all recommendations and requirements raised through the Healthcare team are considered as part of the risk assessment process, and where necessary a discussion is held to agree appropriate arrangements.</p>	<p>Head of Healthcare Cwn Taf Morgannwg University Health Board</p> <p>Head of Safety, HMPPS</p>	May 2024
