

Action Plan in response to the PPO Report into the death of Mr David Fuge on 12 September 2024 from HMP Wymott

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that there is a robust management plan for escalation of patients who have chest pain and that all healthcare staff are aware and trained in this process.	Accepted	Chest pain pathway to be developed by the primary care manager and will be shared with the healthcare team by email and discussed at safety huddles.	Head of Healthcare (Greater Manchester West Mental Health NHS Foundation Trust).	February 2025
