

## Action Plan in response to the PPO Report into the death of Mr James Wood on 04 September 2023 at HMP Hull

| Rec No | Recommendation  | Accepted / Not accepted | Response Action Taken / Planned  | Responsible Owner and Organisation                 | Target Date |
|--------|---|-------------------------|--|--|-------------|
| 1      | The Head of Healthcare should ensure that clinical staff receive training on when to make referrals under the two-week wait cancer pathway, in line with national guidance. | Accepted                | On 13.9.23 Spectrum sent out NICE guidelines for suspected cancer to all staff advising on recognition and referral process for patients with suspected cancer. Copies of this guidance is available in the clinical rooms. This process has been discussed in team meetings and with GPs. | Head of Healthcare (Spectrum Community Health CIC) | Completed   |
