1	The Head of Healthcare should ensure that patients with long-term conditions undergo reviews and receive treatment as outlined in NICE guidelines.	Accepted	Recruitment is currently taking place for 2 practice nurses that will assist the Community Matron in providing Long Term Condition (LTC) annual reviews. In addition to recruitment a standard LTC operating procedure has been formulated that incorporates the whole of the primary healthcare team and its role with regards to LTC management. Following successful recruitment all patients seen for a LTC review will have a care plan implemented in line with NICE guidelines and will have a scheduled review of that plan of care annually or bi annually if identified.
