

## Action Plan in response to the PPO Report into the death of Mr Raymond Cartwright on 6 August 2023 at HMP Risley

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor and Head of Healthcare should agree protocols for recording the reasons for missed clinical appointments, audit these and appropriately address any emerging issues.	Accepted	Any non-attendance of healthcare appointments is recorded and monitored. These are reported and discussed at quarterly local delivery boards where themes are identified and addressed in partnership between the Head of Healthcare and Healthcare link governor.	Governor HMPPS  Head of Healthcare Greater Manchester Mental Health NHS Foundation Trust	Completed
2	The Governor should ensure that the medical sections of risk assessments are fully completed, and in circumstances where this is genuinely not possible, the authorising officer should indicate why, and when restraint levels will be reassessed.	Accepted	Operations Governor to issue guidance and a reminder to all Custodial Managers and members of the Senior Management Group regarding the completion of PER forms. The importance of completing the medical section, or recording justification for not doing so, will be emphasised. Cuffing arrangements and reassessment will be in line with the Graham judgement.
