

**PRISON HEALTHCARE ACTION PLAN IN RESPONSE TO PPO REPORT INTO THE DEATH OF JC (NOV 24)**

| REPORT RECOMMENDATION   | ACTION   | OWNER(S)   | UPDATE |
|---|--|--|--------|
| Clinical Leads within Manx Care should ensure all healthcare staff have the competencies in monitoring, measurement, interpretation and prompt response to the acutely ill/deteriorating patient appropriate to the level of care they are providing. This is in line with the Royal College of Physicians, NEWS2 score for assessing patients at risk of deterioration – (see 15.8). | <ol style="list-style-type: none"> <li>1. All staff working in prison healthcare to complete NEWS2 e-Learning for DHSC Acute on eLearn Vannin by 31/5/25.</li> <li>2. NEWS2 e-Learning to be added to Prison Healthcare's mandatory training schedule for completion within the first month of commencement of role.</li> <li>3. Consider the need for additional (bespoke) training delivered by M Hamm.</li> </ol> | <ol style="list-style-type: none"> <li>1. Lead Nurse Prison Healthcare / Senior Nurse Community</li> </ol> |        |
