

Action Plan in response to the PPO Report into the death of

Mr Anthony Christian on 18 August 2022 at HMP Littlehey

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Heads of Healthcare at Littlehey and Wandsworth should ensure that when a prisoner with complex medical needs transfers, relevant medical issues are discussed with the receiving prison.	Accepted	<p>Healthcare at HMP Littlehey now get notified from Offender Management Unit (OMU) about all planned transfers. These will be seen in a transfer clinic and the SEAT template completed. All staff aware that any patients with complex medical needs must communicate this to the receiving establishments prior to transfer. Any notifications of complex patients arriving at HMP Littlehey will be discussed in a multi-disciplinary team meeting (MDT) prior to being accepted to the establishment.</p> <p>Healthcare at HMP Wandsworth have since established a Release & Transfer team in accordance with new models of care introduced by NHS England with a view to improve the patient experience within the London prisons. The Release & Transfer (R&T) team work closely with HMP Wandsworth Offender Management</p>	Head of Healthcare Northampton NHS Foundation Trust Head of Healthcare Oxleas NHS Foundation Trust	October 2023 Completed

			<p>Unit to ensure that the healthcare team are aware of transfer lists in advance of transfers taking place. The R&T team identify any patients with complex needs and discuss these with the receiving prison in advance of the transfer, to ensure that such prisoners can be accommodated at the receiving prison and that all necessary plans are in place to ensure continuity of care.</p>
