

# Action Plan in response to the PPO Report into the death of Anthony Aldoescu on 6 March 2025 at HMP Gartree

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure, through a robust quality assurance process, that operational staff are aware of what action to take when they observe a prisoner under the influence, including making a referral to the substance misuse team.	Accepted	<p>A notice to staff has been issued reinforcing the importance of reporting any prisoner suspected of being under the influence of an illicit substance as per the guidance contained within the Safe Systems of Work.</p> <p>The inclusion team now receives the daily briefing sheet and, through the inclusion pathway, contacts all prisoners noted as being observed under the influence. Each month, the inclusion team provides a summary report showing who has been seen, who is on the caseload and who has requested or declined support. The latest data is reviewed at the monthly Drug Strategy meeting.</p>	Head of Reducing Reoffending & Drug Strategy Lead, HMPPS	Completed
