

Action Plan in response to the PPO Report into the death of Mr Thomas McMahon on 31 October 2023 at HMP Nottingham

| Rec No | Recommendation | Accepted / Not accepted | Response Action Taken / Planned | Responsible Owner and Organisation | Target Date |
|--------|---|-------------------------|---|---|-------------|
| 1 | The Head of Healthcare should work in partnership with Nottingham Healthcare NHS Foundation Trust, the regional Health and Justice Leads and regional drug providers to satisfy themselves that the local policy on the offer and issue of naloxone on release captures prison leavers with previous opiate use and other relevant risk factors, not just those on the substance misuse caseload. | Accepted | All patients with opioid misuse/relevant risk factors will be offered Naloxone on release regardless of their engagement with the service | Substance Misuse Manager / Head of Healthcare | 31/06/2025 |
