1	The Head of Healthcare should ensure that where there are serious concerns about the health of a prisoner, staff use an emergency code to summon assistance and alert control room staff to call an ambulance immediately, in line with Prison Service Instruction (PSI) 03/2013.	Accepted	<p>The Head of Safety and Head of Healthcare delivered a joint desk top exercise in July 2024 to explore the use of Code red/Code blue emergency codes at HMP Preston and the roles of individual functions. This included input from the Safety, Residential, Healthcare and Operations functions and guidance from the PGD Safety Lead. An action plan has been developed and will be managed by the Head of Safety.</p> <p>The Safety Team at HMP Preston has also delivered the national 'responding to emergency situations' video to operational staff at three training days. The video includes instructions in relation to use of Code red/Code blue emergency codes and will now be included in the routine violence training package.</p>	<p>Head of Healthcare Spectrum</p> <p>Head of Safety HMPPS</p>	September 2024
