

Action Plan in response to the PPO Report into the death of Mr John Casey on 9 January 2025 at HMP Birmingham

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare at HMP Birmingham must ensure that the '5 day SMS review' is a face to face contact, it includes a review of the SystmOne records beforehand and it incorporates a review of medication concordance as per BRT 'Standard Operating Procedures' and the Department of Health (DoH) 'Drug misuse and dependence UK guidelines on clinical management'.	Accepted	<p>The 5 day SMS review is always face to face as observations are taken by the nurse and recorded on SystmOne records.</p> <p>We have amended the template to prompt staff to check medication concordance and discuss non-compliance. Comms have gone out to staff, this has also been discussed in team meetings to review SystmOne records before seeing the patient</p>	Head of Healthcare	Completed
