Action Plan in response to the PPO Report into the death of

Mr Vasile Moisa on 17th January 2026 at HMP Altcourse

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that the weaknesses identified in the clinical review are addressed and there is an auditable process to monitor implementation of specific actions.	Accepted	Clinical Case review held on the 6th February 2025 was comprehensive and identified 6 recommendations and updated within the Datix system action plan. All recommendations have been completed with the action plan updated to reflect such.	Head of Healthcare	Completed May 2026
2	The Director and Head of Healthcare should ensure that staff use interpreting services for interviewing and assessing prisoners who have limited conversational English.	Accepted	Interpretating services guidance will be circulated to all staff who work at HMP Altcourse including external and partner agencies. The use of Language line is being monitored on the Diversity & Inclusion Action Team meetings to ensure the service is being utilised.	Head of Safety and Equalities	01/08/2026
3	The Director should ensure that the Foreign National Strategy is dated, reviews are documented and that there is an auditable record of prisoners referred to the Equality and Inclusion Team.	Accepted	All newly arrived Foreign National prisoners will be referred to Equalities during induction process and this process will be tracked on the induction completion database to provide evidence of referral, the strategy will be dated and reviewed annually so it can be tracked on the version audit of the document.	Head of Safety and Equalities	01/12/2026

4	The Director and Head of Healthcare should put in place a robust quality assurance process to monitor the use of restraints on external escorts, ensuring that it would identify the issues raised by this investigation.	Accepted	All Duty Directors and the Healthcare staff will be briefed on how to complete the escort paperwork whilst an ongoing medical emergency is taking place. Part of the briefing will reference the prevention of escapes - external escorts framework published in January this year. The Head of Security will quality assure all medical emergency escort paperwork.	Head of Security Head of Security	01/10/2026 01/01/2027
5	The Director should review the escort risk assessment forms submitted to this investigation to determine the reasons for the discrepancies and consider whether disciplinary action is warranted.	Accepted	Terms of Refence to investigate the allegation have been commissioned and on completion of the investigation, the findings will be actioned.	Director	01/10/2026
6	The Director should ensure that staff fully document prisoners' personal details, as well as significant events and interactions, and that there is a robust and auditable process to monitor record keeping.	Accepted	All staff will be informed via Notice and on daily briefings that significant events and interactions need to be captured as a case note on Digital Prison Services. Duty Director will assure themselves that all significant events have been placed on DPS.	Head of Residence Duty Directors	01/09/2026 01/09/2026
