

# Action Plan in response to the PPO Report into the death of Mr Kevin Golby 10 December 2024 at HMP Five Wells

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that all prisoners who arrive with outstanding GP appointments are promptly identified and a plan is put in place for them.	Accepted	The Head of Healthcare will establish an Early Days in Custody Pathway. This pathway will ensure that all newly transferred prisoners are discussed the day after their arrival, taking a holistic approach. This includes reviewing their medication, any pending referrals, and identifying and booking any outstanding or required appointments with the relevant teams.
