1	The Head of Healthcare should work in partnership with the regional Health and Justice Leads and regional drug providers to satisfy themselves that the local policy on the offer and issue of naloxone on release captures prison leavers with previous opiate use and other relevant risk factors.	Accepted	As the lead provider for substance misuse services, Spectrum will ensure that appropriate systems and processes are in place to identify and offer naloxone to prison leavers with a history of opiate use and other relevant risk factors. Recognising that practice currently varies across establishments, this review will provide an opportunity to align local processes with best practice and ensure that all eligible prison leavers are appropriately considered The Head of Healthcare has arranged a multidisciplinary review involving DART, Waythrough, HMPPS, commissioners and Spectrum to assess current local practice, identify any gaps, and ensure a consistent and effective approach to naloxone provision on release. This will also be added to the joint monthly reception meetings for regular monitoring and review. This will help ensure that local policy and	Head of Healthcare Spectrum CIC	October 2026
