

Action Plan in response to the PPO Report into the death of Mr David Marsh on 19 October 2025 at HMP Lincoln

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure there is a robust process in place for ECG results to be reviewed by a GP or appropriately qualified registered healthcare professional.	Accepted	Twin trays have been placed in the GP Office for ECG's to be reviewed and for scanning onto SystemOne once completed. GP to be notified once an ECG has been taken. GP and Healthcare staff have been informed. Primary Care Matron to oversee and randomly audit the process.	Primary Care Matron Nottinghamshire Healthcare NHS Foundation Trust	March 2026
2	The Head of Healthcare should ensure robust processes are in place for the timely creation of care plans for prisoners with diagnosed long term conditions.	Accepted	Care plans to be created following Second screening as identified. Primary Care Matron to review care plans for prisoners with diagnosed long term conditions at weekly complex case meetings, quarterly NHFT audits are undertaken quarterly for Long Term Conditions.	Primary Care Matron Nottinghamshire Healthcare NHS Foundation Trust	March 2026
