

Action Plan in response to the PPO Report into the death of Mr Richard Glenn on 12 September 2022 at HMP Lincoln

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that healthcare staff check clinical records in preparation for ACCT review discussions, to ensure all available risk information is considered.	Accepted	The Head of Healthcare to communicate to all healthcare staff involved with the ACCT process the importance of checking an individual's clinical record prior to attending an ACCT review to ensure the review team are sighted on the most up to date information allowing for informed decisions to be made.	Head of Healthcare	01/12/2023
