

Action Plan in response to the PPO Report into the death of

Mr Lee Chignell on 12 August 2025, following his release from HMP Peterborough

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Director and Head of Healthcare should review the processes for sharing relevant pre-release information between relevant departments, and with the community offender manager, in a timely manner so that release planning is effective.	Accepted	<p>The processes for sharing relevant pre-release information between relevant departments has been reviewed. Going forward, healthcare representatives will attend relevant multi-disciplinary meetings, including pre-release meetings, alongside operational staff to support effective release planning and promote shared communication between departments and external partners.</p> <p>When sharing information, healthcare staff will obtain the prisoner's consent wherever possible. If consent is not provided, information will only be disclosed where breaching confidentiality is justified and meets the criteria set out under the Caldicott Guardian principles, including where there is a lawful basis and a clear need to share information without consent.</p>	<p>Director, Sodexo</p> <p>Head of Healthcare, NHFT</p>	Completed
