

Inspection of HMP Frankland

Inspectors visited this prison in March 2024.

We wanted to find out if things were better, the same or worse for prisoners since we last visited in 2020.

We did this by:

- looking around the prison
- asking prisoners and staff to fill in a questionnaire
- speaking to prisoners
- speaking to staff and helpers
- reading documents.

What did we find?

Prisoners were mostly kept safe.

We gave the prison 3 out of 4 for this.

Prisoners had good support from staff. Some parts of the prison needed to be repaired.

We gave the prison 3 out of 4 for this.

Teaching was good. Prisoners used the libraries and gym a lot. Some prisoners did not get enough time out of their cells in the daytime.

We gave the prison 3 out of 4 for this.

Prisoners got good support to cope with long stays in prison and to change their behaviour.

We gave the prison 3 out of 4 for this.

What should the prison do?

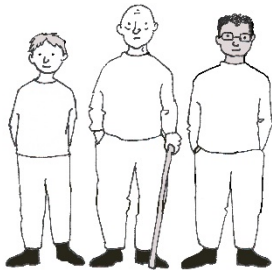

We want the governor to read our inspection report. You can find the report in the prison library.

We want the governor to make a plan. The plan should tell us how they will fix the problems at HMP Frankland and make things better for prisoners.

What do we want to happen?

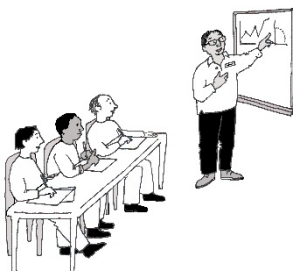

We want broken things in the prison to be fixed. We want the damp and mould to be sorted out.

We want the prison to do more to make sure all prisoners are treated fairly.

We want more prisoners to be able to work all day, so they get longer out of their cells.

We want all prisoners to be able to go to education and work. We want prisoners in workshops to get qualifications.

We want medicine to be stored and given out safely.

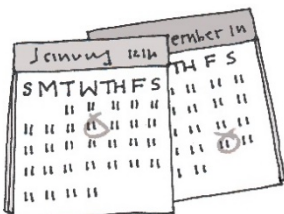

We want there to be extra activities to help prisoners develop new skills and interests.

We want prisoners to know more about their sentence plans. We want them to see prisoner offender managers more often.

What will we do?

We will come back in a few years to check how well the prison is doing. We will write a report to tell people what we find.
