Staff survey methodology

A survey of staff is carried out at the start of every inspection, the results of which contribute to the evidence base for the inspection.

HMI Prisons researchers developed an online questionnaire consisting of structured questions exploring the experience of staff at the IRC. There are also fifteen open questions which allow staff to expand on their experiences and tell inspectors anything else they think is important. These comments are not published or shared with the establishment.

Distribution

HMI Prisons researchers provide a link to the survey embedded in a covering email. The covering email explains the purpose of the survey, that participation is voluntary and gives assurances about confidentiality and anonymity, enabling staff to give their informed consent to participate. This email is sent to the establishment with a request that it is forwarded to all staff working at the establishment; an HMI Prisons researcher is copied into this email to provide assurance.

Survey response

It was not possible to ascertain the number of email addresses that the survey was sent to at Brook House IRC. Staff were given seven days to complete the survey. We received a total of 86 completed questionnaires.

We cannot be sure that every member of staff working at the establishment received the email. Furthermore, because the online survey is set up to enable multiple responses from a single device (to facilitate participation by those who share computers) it is possible that individuals may have completed the questionnaire more than once. It is therefore not possible to provide an accurate response rate.

Full survey results

The full survey results for staff at Brook House IRC provide a breakdown of responses for only the structured questions. Percentages have been rounded and therefore may not add up to 100%.

The full inspection report is available on our website at: https://www.justiceinspectorates.gov.uk/hmiprisons/inspections/

Staff survey

Q1.1	Please tick the option which most closely matches your role: Frontline operational staff Operational manager Home Office staff Health care staff Education, skills and work staff Administrative staff Other staff	13 (15%) 8 (9%) 6 (7%) 3 (3%) 4 (5%)			
Staff	well-being				
Q2.1	How well is the centre supporting staff well-being? Very well Quite well Neither well nor poorly Quite poorly. Very poorly	23 (27%) 21 (24%) 21 (24%)			
Q2.2	How would you describe your morale at work? Very high High Neither high nor low Low Very low	23 (27%) 25 (29%) 22 (26%)
