

# Inspection of HMP Warren Hill

Inspectors visited this prison in February 2025.

We wanted to find out if things were better, the same or worse for prisoners since we last visited in 2019.

We did this by:

- looking around the prison
- asking prisoners and staff to fill in a questionnaire
- speaking to prisoners
- speaking to staff and helpers
- reading documents.

## What did we find?

**Very few prisoners used drugs or harmed themselves. There was very little violence.**  
We gave the prison 4 out of 4 for this.

**Relationships between staff and prisoners were good. Living conditions were good too.**  
We gave the prison 4 out of 4 for this.

**Prisoners had lots of things to do and teaching was good. The library was not open for long enough each day.**  
We gave the prison 3 out of 4 for this.

**Prisoners got lots of help to stop offending, but too many prisoners were being sent back to prison.**  
We gave the prison 4 out of 4 for this.

## What should the prison do?

We want the governor to read our inspection report. You can find the report in the prison library.

We want the governor to make a plan. The plan should tell us how they will fix any problems at HMP Warren Hill and make things better for prisoners.

# What do we want to happen?

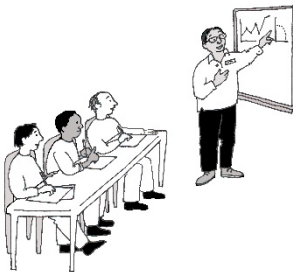

We want the prison to find out why prisoners are being sent back to jail.

We want release on temporary licence (ROTL) to start again. We want the prison to use it to help prisoners get ready for life outside jail.

We want the prison to do more to help prisoners get jobs when they leave jail.

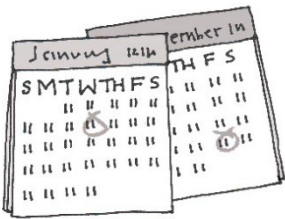

We want all prisoners to get good teaching and training. We want prisoners to learn things that will help them.

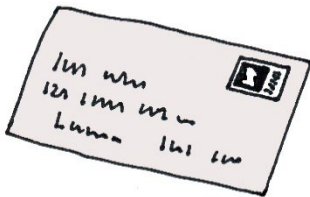

We want the prison to make sure health care is safe.

## What will we do?

We will come back in a few years to check how well the prison is doing. We will write a report to tell people what we find.
