

Action Plan – Craig Miller, HMP Liverpool. NC. 04/03/2016

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Governor should ensure that an appropriate member of staff is appointed promptly to engage with and support the families of seriously ill prisoners	Accepted	<p>Healthcare staff will be reminded by a Notice To Staff that the Head of Safer Custody, or the Duty Governor in their absence, must be notified when a prisoner has been diagnosed as terminally ill.</p> <p>A trained Family Liaison Officer will then be appointed to support the prisoner and their family.</p> <p>Additionally there is now an 'End of Life' agenda item at the weekly Enhanced Case Review (ECR) meeting attended by the Deputy Governor which discusses the cases of terminally ill prisoners and ensures appropriate engagement with the family is taking place.</p>	October 2016
