

Action Plan- Shafait Hussain. NC. HMP Oakwood .17/04/2017.

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	<p>The Governor and Head of Healthcare should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints and that assessments fully take into account the health of a prisoner and are based on the actual risk the prisoner presents at the time</p>	Accepted	<p>The Director has reminded all relevant staff through a staff briefing about the local risk assessment document. The local risk assessment document reflects the requirements contained in the standard risk assessment form within the National Security Framework. This briefing ensured that all staff undertaking risk assessments for prisoners taken to hospital understands the legal position; that assessments must fully take into account the health of a prisoner and be based on the actual risk that the prisoner presents at the time.</p> <p>The Healthcare Clinical Manager has also been instructed during the Morning Operational meeting to ensure that accurate health information is provided on all risk assessment forms, and Healthcare staff have been briefed on the completion of the risk assessment forms.</p> <p>Complex clinical cases with longer term implications will now be subject to case management planning by the Senior Management Team. All risk assessments will be subject to internal management checks as well as external audits.</p>	<p>Completed</p> <p>Security and Healthcare</p>
