

**Action Plan- Neil Mitchell. HMP Holme House. NC. DOD 29/02/2016.**

| <b>No</b> | <b>Recommendation</b>                                                                                                                                                                                    | <b>Accepted/Not Accepted</b> | <b>Response</b>                                                                                                                                                                                                                                                                                                           | <b>Target date for completion and function responsible</b> |
|-----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------|
| 1         | The Governor should ensure that hospital appointments are not cancelled unless there are overriding, fully justified and documented security reasons, and there is no detriment to the prisoner's health | Accepted                     | Healthcare administration staff are required to seek advice from the clinical lead before any hospital appointment is cancelled or rearranged, in order to ensure that this can take place without any detrimental impact on the patient. Any such appointments are rearranged to take place at the earliest opportunity. | Head of Healthcare and Governor<br><br>Completed           |
