1	The Governor and Head of Healthcare at HMP Hatfield should adhere to the provisions of PSO 3050, Continuity of Healthcare for Prisoners when considering requests for transfer.	Accepted	There is a system whereby a review of all cases as individuals is undertaken and takes into account prisoners needs, their resettlement issues and the closer to home agenda, to ensure that HMP Hatfield are able to provide the best care. The Head of Healthcare reminded staff in August by email that they must follow the guidelines set out in PSO 3050.	Completed Head of Healthcare
