

**Action Plan-Gordon Wakefield. HMP Wymott NC. 19/04/2017**

<b>No</b>	<b>Recommendation</b>	<b>Accepted/Not Accepted</b>	<b>Response</b>	<b>Target date for completion and function responsible</b>
1	The Head of Healthcare at HMP Wymott should ensure that there are effective processes to ensure that prisoners receive their medication as prescribed and that failure to do so is followed up with the reasons recorded.	Accepted	Head of Medicines Management for Bridgewater Community Healthcare and the Pharmacist are reviewing the medication administration processes. A new system has been introduced enabling non-in-possession medications to be given out on set days on a weekly basis to prisoners. This system has proved to be effective receiving positive feedback via Prisoner Forum Groups.	Completed / Ongoing  Head of Healthcare
