

Action Plan - Raymond Earl. HMP Durham. NC. 30/03/2017

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Governor should insure that equipment provided by the prison is regularly inspected and any broken items are removed from use, promptly repaired or destroyed	Accepted	All wheelchairs in the prison have been inspected by a member of staff and any faults either repaired or the wheelchair replaced. Fully operational wheelchairs are now available to all residential units. Such equipment will be inspected prior to each use in the future and staff have been reminded via a NTS that any prisoner requiring a long term mobility aid must have a social case referral made.	Completed Head of Safer Custody
