

**PPO Action Plan- Paul Byles. HMP Bullingdon, 16 February 2016**

<b>No</b>	<b>Recommendation</b>	<b>Accepted/Not Accepted</b>	<b>Response</b>	<b>Target date for completion and function responsible</b>
1	The Head of Healthcare should ensure that prisoners are assessed for cardiac risk factors in line with NICE guidelines.	Accepted	The cardiac pathways will be reviewed to ensure they meet with NICE guidelines and will audit for compliance	Care UK 31 December 2016
2	The Head of Healthcare should ensure that all healthcare staff are aware of current clinical guidance for managing chest pain and that prisoners presenting with such symptoms are assessed urgently, in line with NICE guidelines.	Accepted	Guidance will be recirculated and episodes of acute chest pain will be reviewed through the local quality assurance meetings.	Care UK 31 October 2016
