

**Action Plan- William Follows. HMP Stoke Heath. NC. 25/08/2017**

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Governor and Head of Healthcare should ensure that all staff are made aware of and understand PSI 03/2013 and their responsibilities during medical emergencies, including that control room staff should call an ambulance immediately and staff should take all appropriate medical equipment, including a defibrillator, to code blue emergencies.	Accepted	<p>The Governor issued a Notice To Staff in January detailing the actions to be taken in the event of a medical emergency in line with PSI 03/2013 and that staff who operate the Control Room are aware in the event of a Code Blue that an ambulance is called automatically.</p> <p>The Head of Healthcare has instructed all healthcare staff of the need to take all essential equipment to a Code call.</p> <p>The emergency equipment has been reviewed within the healthcare centre, with the provision of a single larger bag for code calls; this means that the equipment, oxygen and defibrillator are stored within the one bag.</p>	<p>Complete Governor</p> <p>Complete Head of Healthcare</p> <p>Complete Head of Healthcare</p>
