

Action Plan-Jaspal Khela. HMP Portland. Self- Inflicted. 16/09/2017

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	<p>The Governor should ensure that staff manage prisoners at risk of suicide or self-harm in line with national guidelines, including ensuring that:</p> <ul style="list-style-type: none"> • Case reviews are multidisciplinary and include all relevant people involved in a prisoner's care, including mental health staff where appropriate, and healthcare staff attend all first case reviews • Staff set ACCT care map actions which are aimed at reducing prisoners' risks to themselves and review them at each case review. 	Accepted	<p>A rolling programme of delivery of the new national Suicide and Self-Harm (SASH) training will see all staff reminded of the requirements for managing prisoners at risk of suicide and self-harm, including the need for multidisciplinary attendance at case reviews, and the need for effective caremaps which are reviewed at each case review.</p> <p>A new Case Manager training package will also be attended by all case managers to further improve the setting of caremap goals and targets.</p> <p>ACCT case review paperwork will include prompts on attendance to incorporate mental health, healthcare and chaplaincy to assist case managers to arrange their attendance.</p>	<p>December 2017</p> <p>Head of Safer Custody People hub</p>
