

Action Plan – Tom Lee. HMP Wymott. NC. 01/04/2017

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare should ensure that prison GPs follow up abnormal blood test results promptly.	Accepted	The Healthcare provider is introducing smarter ways of working by updating and allocating the clinic systems to meet the demands of the service. GP's will be allocated allotted admin time outside their clinics each day to review all prisoner related documentation. This means that abnormal blood test results will be followed up promptly.	30 November 2017 Head of Healthcare
