1	<p>The Governor and Head of Healthcare at HMP Frankland should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints and that assessments fully take into account the health of the prisoner and are based on the actual risk the prisoner presents at the time.</p>	Accepted	<p>A Notice to staff was issued to all staff that are involved in undertaking and contributing to risk assessments including Healthcare, on 17 April 2018. The Notice details staff responsibilities when undertaking risk assessments for prisoners taken to hospital. It also reminds staff of the legal position on the use of restraints and that risk assessments must take full account of the health and condition of the prisoner at the time.</p> <p>As a further and constant reminder the Graham Judgment has been added into the daily management checks of hospital escort/bed watches and placed in the Management check folder for hospital escort/bed watches.</p> <p>The Notice to staff was emailed to all staff and raised at team briefings. As a follow-up, the information was communicated in a meeting to the relevant staff overseeing the process. The Head of Healthcare also communicated this to healthcare staff.</p>	<p>Complete</p> <p>Head of Security and Intelligence/ Healthcare Manager</p>
