Other Non-Natural. 10/06/2016**

	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare should review the current policy for resuscitation for HMP Hindley and amend this to incorporate guidance to support decision making when resuscitation may not be appropriate, in accordance with the European Resuscitation Council Guidelines for Resuscitation 2015.	Accepted	The Head of Healthcare, in conjunction with Bridgewater Community NHS Trust, will review the current policy to ensure it incorporates the recent guidance issued by NOMS which was developed by NHS England to support prison and healthcare staff in making a decision as to whether or not resuscitation is appropriate. The guidance has been taken from the European Resuscitation Council Guidelines for Resuscitation 2015, which supports current national guidance from the British Medical Association and Royal College of Nursing.
