

Action Plan - Ryan McGrath HMP Wymott. NC 24/10/2016

No	Recommendation	Accepted / Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare at HMP Swansea and HMP Wymott should ensure that community health records are requested for all new prisoners, as per PSO 3050 and that past medical history is appropriately considered.	Accepted	<p>HMP Swansea</p> <p>The Head of Healthcare and Charge Nurse have visited the local health board audit team to explore the process for implementation of requesting health records for all new prisoners.</p> <p>The review will commence in March 2017 where a small working group involving Head of Healthcare, nurse admin staff and the doctor will formulate best processes.</p> <p>The aim of the group will be to identify who is best placed to request records/ patient summary from the GP, who is the best person to read and action any intervention from the patient summary and then scan information into the SystmOne core record. This process will be in place by June 2017 for all new prisoners.</p>	<p>June 2017</p> <p>Healthcare</p>
		Accepted	<p>HMP Wymott</p> <p>HMP Wymott is a Category C training establishment and does not receive prisoners directly from court. Upon transfer to HMP Wymott all prisoners receive a healthcare screening, and if it is found that the GP record has not been uploaded to SystmOne, or was not requested by the local prison establishment to which the prisoner was initially allocated, all documentation will be requested by healthcare staff at HMP Wymott.</p> <p>Wymott Healthcare staff have access to SystmOne, including historical clinical records which have been created whilst the prisoner has been in custody.</p>	<p>March 2017</p> <p>Healthcare Manager</p>
2	The Head of Healthcare at Wymott should ensure that staff do not delay arranging urgent blood tests for patients where healthcare staff are unable to	Accepted	<p>In all instances where healthcare are unable to obtain an urgent blood test which has been requested, the patient will be transferred immediately to acute hospital for this to be completed and any further tests required.</p>	<p>March 2017</p> <p>Healthcare Manager</p>
