

Action Plan – Terence Perkins. HMP Belmarsh. NC. 05/02/2018

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	<p>The Governor should review the current provision of radios to ensure it is sufficient to meet the needs of the prison.</p>	Accepted	<p>The existing provision of radios was discussed and reviewed in the Safer Custody Meeting held in May 2019. The Governor and team concluded from that review that the current provision of radios is more than sufficient with a good coverage for response.</p>	<p>May 2019 Governor</p>
2	<p>The Governor and the Head of Healthcare should ensure that Oxleas Trust's policies on life support training for staff and the provision of life-saving equipment at Belmarsh:</p> <ul style="list-style-type: none"> • are fully risk-assessed in relation to the specific situation at Belmarsh; and • accurately reflect the guidance of European Resuscitation Council 	Accepted	<p>Oxleas NHS Foundation Trust works in accordance with our Resuscitation Policy This policy covers training and support for staff including all lifesaving equipment. It also accurately reflects the guidance of the European Resuscitation Council.</p> <p>It has been acknowledged that the team can further benefit from intermediate life support training and equipment. This is being addressed by the clinical directors and the service manager within the trust. It has been confirmed that intermediate life support training will be offered to all Oxleas prison healthcare staff and will be rolled out from April 2019.</p>	<p>Complete Head of Healthcare, Oxleas</p>
3	<p>The Governor should ensure that, in accordance with PSI 64/2011, a manager holds a hot debrief promptly after a death in custody and that all those involved in the incident, including healthcare staff, are invited to attend.</p>	Accepted	<p>There is a hot de brief that is held after all death in custodies. Mandatory action was implemented in October 2018 that the Manager initiating the briefing includes all people involved including the Healthcare staff.</p>	<p>Complete Emergency Control Room, Governor</p>
