

Action Plan – Anthony Fox. HMP Lindholme. NC. 27/12/2017

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Governor and Head of Healthcare should ensure that all staff undertaking risk assessments for prisoners taken to hospital understand the legal position on the use of restraints and that assessments fully take into account the health of a prisoner and are based on the actual risk the prisoner presents at the time.	Accepted	All Governors and Orderly officers will be briefed and provided with written correspondence as to their legal obligations in the use of restraints and assessments. The Head of Safety and Equality will be the link in all future cases as the expert advice for cuffing arrangements and will be ratified by the person I/C of the establishment.	31 st July 2018 Head of Security
2	The Governor should ensure that the next of kin are continuously supported and regularly updated by the appointed prison liaison officer until support is no longer required.	Accepted	All FLO's will be reissued a role brief to ensure they are aware of their full duties.	31 st July 2018 Head of Safety and Equality
