| 1 | The Governor and Head of Healthcare should ensure that healthcare and substance misuse services are informed every time a prisoner is found under the influence of an illicit substance and this is recorded on his medical record. | Accepted | <p>The Governor has commissioned a review of the arrangements by which healthcare are informed of suspected illicit substance misuse by prisoners to ensure that this information is available and can be recorded on SystemOne.</p> <p>At present, healthcare attend all PS related Code Blue incidents, this is then recorded on SystemOne and handed over to the Substance Misuse Team. A review will be completed by January 2019 by the Head of Drug Strategy, in conjunction with the Head of Healthcare. The outcome and any new procedures will be communicated by the Head of Drug Strategy and the Head of Healthcare to both healthcare and prison service staff.</p> <p>In the interim, all staff will be reminded by a Notice to Staff of the need to record all instances where prisoners are identified as being under the influence in wing observation books and NOMIS so that this information can be accessed by healthcare colleagues. The Notice to Staff will be written and published in November 2019.</p> | Head of Safety December 2019 |
| 2 | The Governor should ensure that the key drug issues at Hewell are identified and that the prison's local drugs strategy is revised by September 2019 to ensure that these key issues are being addressed. | Accepted | <p>The Governor commissioned a review of the current Drug Strategy and the action plan accompanying the strategy. This review has been undertaken and a new strategy has been devised with a new action plan in place. This is currently being reviewed by the Governor for approval.</p> <p>At present, Region are supporting a re-launch of the Drug Strategy and the Head of Drug Strategy is attending the regional meetings to provide further support for HMP Hewell. The action plan is now a live</p> | Head of Drug Strategy December 2019 |
