

Action Plan – Samantha Brady-Bott at HMP Eastwood Park on 06/08/2016

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare should ensure that prisoners taking medications with known side effects to heart rhythms are given a six monthly ECG checks in line with community practice.	Accepted	All GPs were reminded in January 2017 at a staff meeting that prisoners taking medications with known side effects to heart rhythms are given a six monthly ECG checks in line with community practice. ECG monitoring guidance is now displayed on a notice board in each GP consulting room.	Head of Healthcare Completed
2	The Governor should ensure that when a cell door is unlocked, staff satisfy themselves of the wellbeing of the prisoner and that there are no immediate issues that need attention.	Accepted	All staff will be reminded via a notice to staff and a safer custody staff bulletin in March 2017, that when unlocking a cell they must assure themselves of the prisoner's well-being by having sight of the prisoner and receiving a verbal acknowledgement from them, and that they must check there are no immediate issues that need attention. In the case of medical emergencies a code red or blue must be called immediately.	Governor Head of Safer Custody March 2017
3	The Governor should ensure that all prison staff are made aware of and understand PSI 03/2013 and their responsibilities during medical emergencies including calling an emergency code at the earliest opportunity.	Accepted	All staff will be reminded via full staff briefing and a notice to staff about PSI 03/2013 Medical Emergencies and their responsibilities during medical emergencies, including calling an emergency code at the earliest opportunity.	Governor March 2017
