

Action Plan – Mr Roger Gozney at HMP Whatton – Natural Cause on 14/10/2018

No	Recommendation	Accepted/Not Accepted	Response	Target date for completion and function responsible
1	The Head of Healthcare should implement a triage template to support healthcare staff when considering a prisoner's condition and ensuring continuity of care.	Accepted	A template is to be created with the health and Justice IT Team in December. In the interim a basic telephone triage template and Healthcare app template has been added to the clinical tree and is in use.	31.12.19 Head of Healthcare
2	The Head of Healthcare should ensure all healthcare staff are aware of and understand their duties for managing those with chronic diseases, particularly those who are presenting as unwell.	Accepted	This will be raised in 'Learning the Lesson Post Incident' with all Healthcare Staff. All staff adhere to the NMC code and work to their Job Description. This is monitored through both clinical and managerial supervision.	30.09.19 Head of Healthcare
3	The Governor should ensure that all staff are reminded of the national and local policies about entering a cell during medical emergencies.	Accepted	A Notice To Staff was published in June 2019 reiterating Code Red/Blue process and guidelines regarding entering a cell in patrol state.	Complete Governor
