

Action Plan – Mr Stuart Walker at HMP Rye Hill – Natural Cause on 26/08/2019

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible
1	The Governor and Head of Healthcare should ensure that staff discuss the option of early release on compassionate grounds with terminally ill prisoners, record the outcome of those discussions and progress as appropriate.	Accepted	<p>The Head of Healthcare has implemented a log for early release on compassionate grounds that includes the date information requests have been made, Patient Healthcare information/reports that have been requested, and a log of all progress. The log went live at the end of November 2019.</p> <p>All Family Liaison Officers will be written to in March 2020, reminding them of the need to discuss the option of early release on compassionate grounds with the terminally ill prisoners they are responsible for, and to feed information back to the fortnightly Vulnerable Adults meeting.</p>	<p>Complete</p> <p>Head of Healthcare, Head of Safer Custody</p>
