

PPO ACTION PLAN:

Offender Name	Blake Brown
Approved Premises	Southwood AP
Date of Death	24th October 2016

No	Recommendation	Accepted/ Not Accepted	Response	Target date for completion and function responsible	Progress (to be updated after 6 months)
1	The Head of Public Protection for the National Probation Service North-West Division should ensure that: <ul style="list-style-type: none"> Approved Premises are notified in advance of the arrival of new residents, particularly in the case of offenders being managed under MAPPA; 	Accepted	1. The NW AP Division has strengthened both its CRU processes and links with Offender Management/Mapp Panels since 2017. Referrals for cases managed at MAPP Levels 2 and 3 are required 6 months prior to release; when the Sentence allow. Robust CRU admin processes result in cases being referred outside this time scale being overseen by the CRU Area Manager; adding a senior level of oversight to time critical/emergency referrals.	Completed	
2	<ul style="list-style-type: none"> where an offender with criminal gang connections is being placed in an AP, offender managers check in advance that there are no current or planned AP residents with whom the offender should not associate; and 		2. Practice has been developed to ensure that there is collaboration between the APM, OM and Police colleagues to screen and assess the AP resident profile prior to placement being agreed.	Completed & ongoing	

Official Sensitive

3	<ul style="list-style-type: none">• the reasons for varying key licence conditions are recorded		<p>3. The nationally agreed referral form in use by all approved premises in England and Wales, requires affiliation to gangs to be explored and considered by the referring OM and AP manager accepting the referral. A reminder has been issued to all NW AP managers and will be communicated to LDU colleagues by the Head of Public Protection.</p>	Completed & ongoing
